Dear Parents,

The JCC of Jersey Shore is pleased to announce that it is officially relaunching its long standing **Center Play School**, in September 2020. Due to financial constraints, the old JCC was forced to close the school that had served the Jewish Community for over 50 years, in 2011. In 2013, the Jewish Community Center of Greater Monmouth County (JCC of the Jersey Shore) embarked on a joint program with Chabad of the Shore to bring a Reggio Emilia curriculum based Jewish preschool to the community. The Program has become known as the “Preschool of the Arts”.

Our collective goal has been and continues to be to build a strong educational foundation for our children by stimulating their natural curiosity through play, social collaboration, and exploration. Our staff exposes our children to a wide variety of educational opportunities based upon the environment that surrounds them that is designed to encourage self-expression, communication, logical thinking, and problem-solving. Our state-of-the-art facility at the JCC of the Jersey Shore has been designed to complement our curriculum with sun-lit rooms and plenty of space for our children to explore, create, and play. Our JCC facilities have all of the indoor and outdoor amenities to create a safe, warm and nurturing environment and have adapted strict health guidelines that meet all of the State’s and CDC guidelines for safe operations in the current Covid-19 pandemic.

Given the ever increasing demand for a quality and safe program, the Preschool of the Arts has evolved to better serve the community and has resulted in the launching of two pre-schools that share the same philosophy and will be strategically working together to meet the needs of our community. The programs share the same Reggio Emilia curriculum and this will allow both facilities to expand their services to include infants, toddlers, nursery and Pre-K children from 6 months old to 5 years old, including full and half care daycare. The success we have experienced under the banner of the Preschool of the Arts at the JCC will continue to be housed at the JCC of the Jersey Shore under the JCC’s original banner of “Center Play School”.

We invite you to explore our facility, learn more about our incredible program and staff. Center Play School will be housed at the JCC of the Jersey Shore under the guidance of Debbie Harris. Tzippy Abehsera will be the head professional of the 2 year old and day care program. Please feel free to contact us at www.jccjerseyshore.org or call Debbie Harris at 732-531-9101 or Tzippy Abehsera at 732-977-1024 with any questions or to register for this upcoming year.

We are excited to continue our partnership with the families in our community and to be an integral part of your child's early education.
